*A journey to the Belle Époque
of exquisiteness and sophistication
with today's technology*

The Al Ándalus Train is not just one of the world's most luxurious and spacious tourist trains, but is also a real railway gem, capable of taking passengers back to the sophisticated era of the Belle Époque on every trip.

ACCOMMODATION

The Al Ándalus Train has two types of accommodation.

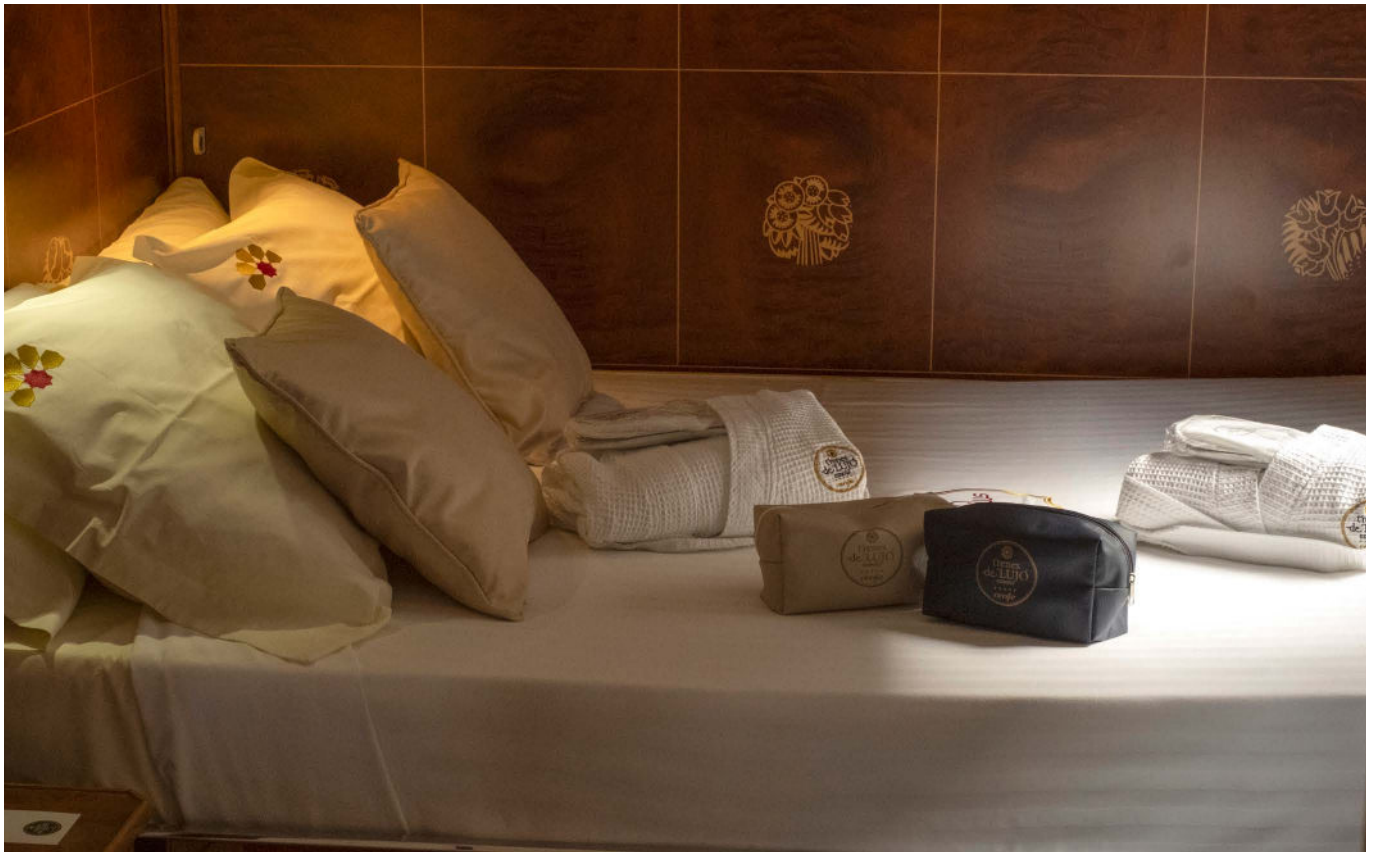

The Deluxe Suite. A spacious, elegant suite, consisting of a bedroom and private bathroom, perfectly suited for rest and privacy. It features a large bed that becomes a comfortable sofa during the day.

The spacious and comfortable bathroom has a shower, hairdryer and a varied set of welcome items and toiletries. A safe, minibar, wardrobe, luggage rack and individually controlled air conditioning are other 21st century comforts that, in this suite, go hand in hand with the

historic train's original appearance. The train features 20 Deluxe Suites.

The Gran Clase Room. This cosy room, which has a private bathroom, features the same size and atmosphere of the original compartments.

It has two single beds that become comfortable armchairs during the day, as well as a minibar, safe, wardrobe, luggage rack and adjustable air conditioning. Its functional private bathroom makes the most of the space, being equipped with a shower, hairdryer and a varied set of welcome items and toiletries. The train has 12 Gran Clase Rooms.

COMMON LOUNGES

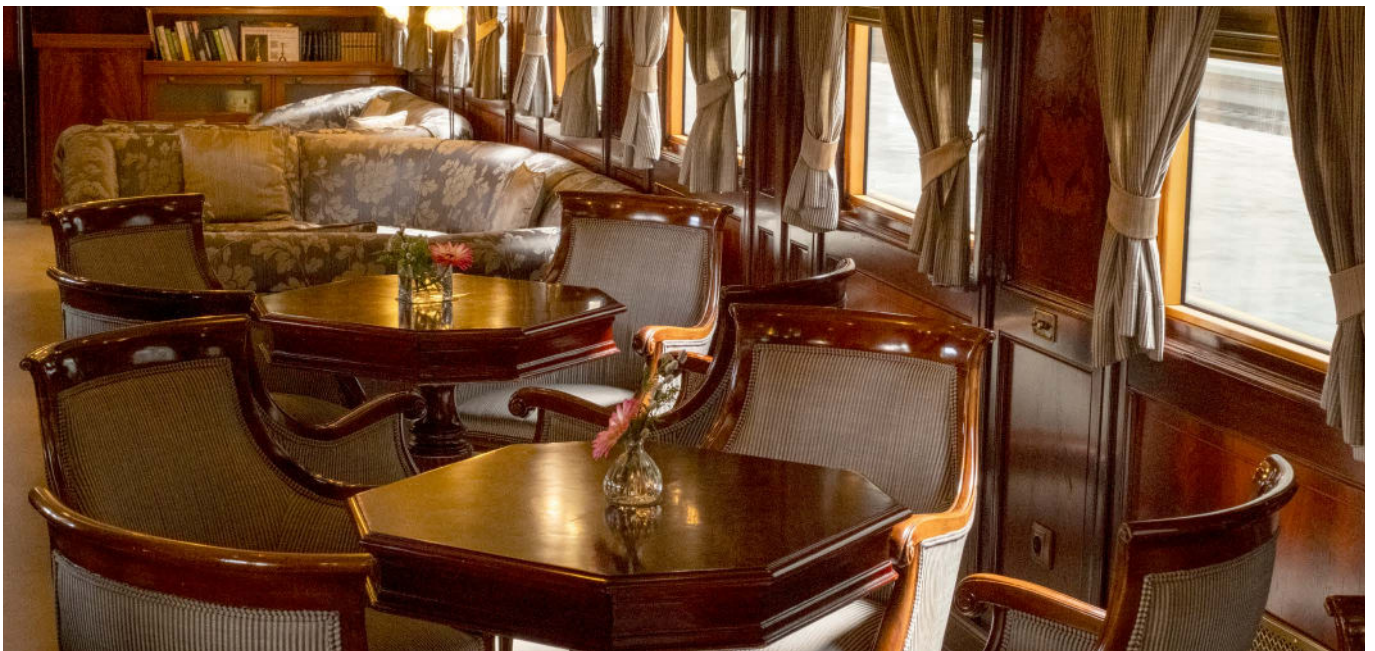

The Al Ándalus Train features four railway gems, its four lounge cars from 1928 and 1930.

These common areas are intended for leisure and the pleasure of travelling on the largest and most spacious luxury train, while enjoying buffet breakfast, lunch or dinner on board, relaxing with a drink, listening to musical performances, contemplating the scenery or simply chilling out in the comfortable armchairs.

All the cars have air conditioning and are open 24 hours a day for your use and enjoyment.

Restaurant cars, bar car, tea room, all at your disposal, as well as the service of the crew along with your Expedition Manager and accompanying guides.

ITINERARY

From Seville to Madrid

DAY 1: Seville – Córdoba
